Will,
I'm sorry I've known you this year. You're really a nice guy although you do hang around with a bad crowd (i.e. me, Geep and Shawn). I hope everything goes well with you in the future and you'll always be able to get from speedway a great care of yourself and have a great summer.

Friends Always,
Scott Wood

TO my good Will Drantlin

Will,

I have really enjoyed being in the same World I.D class and English class as you had. We sure have had fun flunking test and cracking on the teachers. Hope we are in some of the classes next year. Have a nice Summer

Jeff

Will,

I have really enjoyed being friends with you these past two years. You are a very good friend and I love that quirkyness about you. You are a ruby fine ~~to~~ young man and you have a fine body to go with that personality. Hope you have a great summer and I want to see you over the summer. I hope we remain very good friends for years to come.

Love,

Shannon

Will,

Your a sweetheart of a guy. I hope you keep your cute face. Just stay the way you are. And you can get far in life. I wish you the best in life. I hope you have a great summer and keep in touch. I want to tell you I love it when you wear your tight pants. It turns me up. (just kidding) but you know the truth. You take care. Maybe I will see you later in life. Stay the way you are.

Love ya

Pam

[Jump on it.]

Will,

You are a great friend who has always made my home-room moments full of pleasant smiles. I hope your summer is the best ever.

your friend,

Rhonda

Will,

Good luck to you. I hope you and your truck make it through high school.

Shawn Taylor

Will,

Have a good summer. Maybe I will see you later in life.

Will,
Ho that time in the year when we have to part. Ain't you glad? I know I hugged you to death in 4th period but didn't you enjoy it? Maybe next year we can have even more classes together and I can hug you even more. Seriously though I think you're a real sweet guy with a wonderful personality. I have a great deal of respect for you. Take care and have a wonderful summer. Try to stay out of trouble.

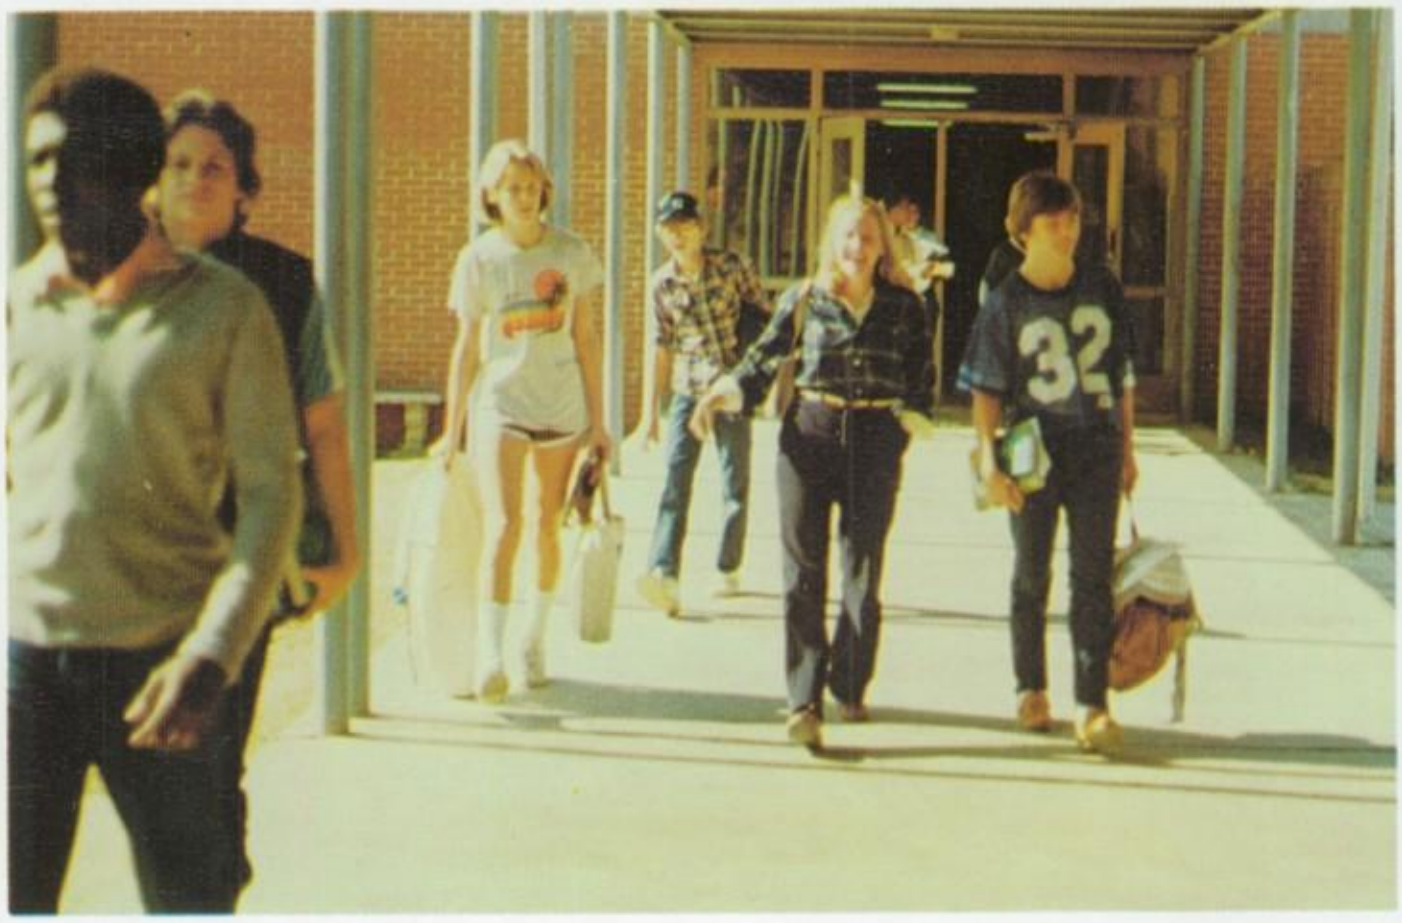
All of us, everyday, are putting on a giant theatrical production of the "drama of life" and all of us interact, in someway, with each other. Throughout this realistic drama, we all tend to switch roles and change disguises as we confront different types of people. The various relationships in which we may be engaged are student to teacher, boyfriend to girlfriend, friend to friend, or even foe to foe.

We all need each other at one time or another. We, the students, need to know that we can count on our teachers to give us the leadership and education that is necessary to get ahead in the world. And we should be willing to learn so that the teachers may do the best job possible and fulfill their desires to teach.

Students and teachers could probably get along much better if we all would realize that we are all human and we should not expect perfection from each other. In the eyes of the student, the teacher is the figure of authority, and so very often a student will confuse this authority with "tyranny." Mere understanding and respect are the keys to a successful relationship between a student and a teacher.

Friendship between some students is inevitable. We see each other almost every day, and we are constantly working together toward some goal. We help each other with homework; we study together for algebra tests; we work together in clubs and organizations. Band students strive for that first division award, and Civitans members work to raise money for charities. We also give each other comfort when we fail that algebra test or don't get that first division award.

All the world's a stage. And all the men and women merely players.



They have their exits and entrances, And one man in his time plays many parts . . .

Wilkinsons,
I have noticed you and Jay have had a real gay time. Oh and Eric too! All 3 of you must have had a good time at the rodeo. you know the secret trip your parents will never know just never make me go with you to the next rodeo. Have a real gay summer and don't roll in and out so much.

a good friend
but not a gayone

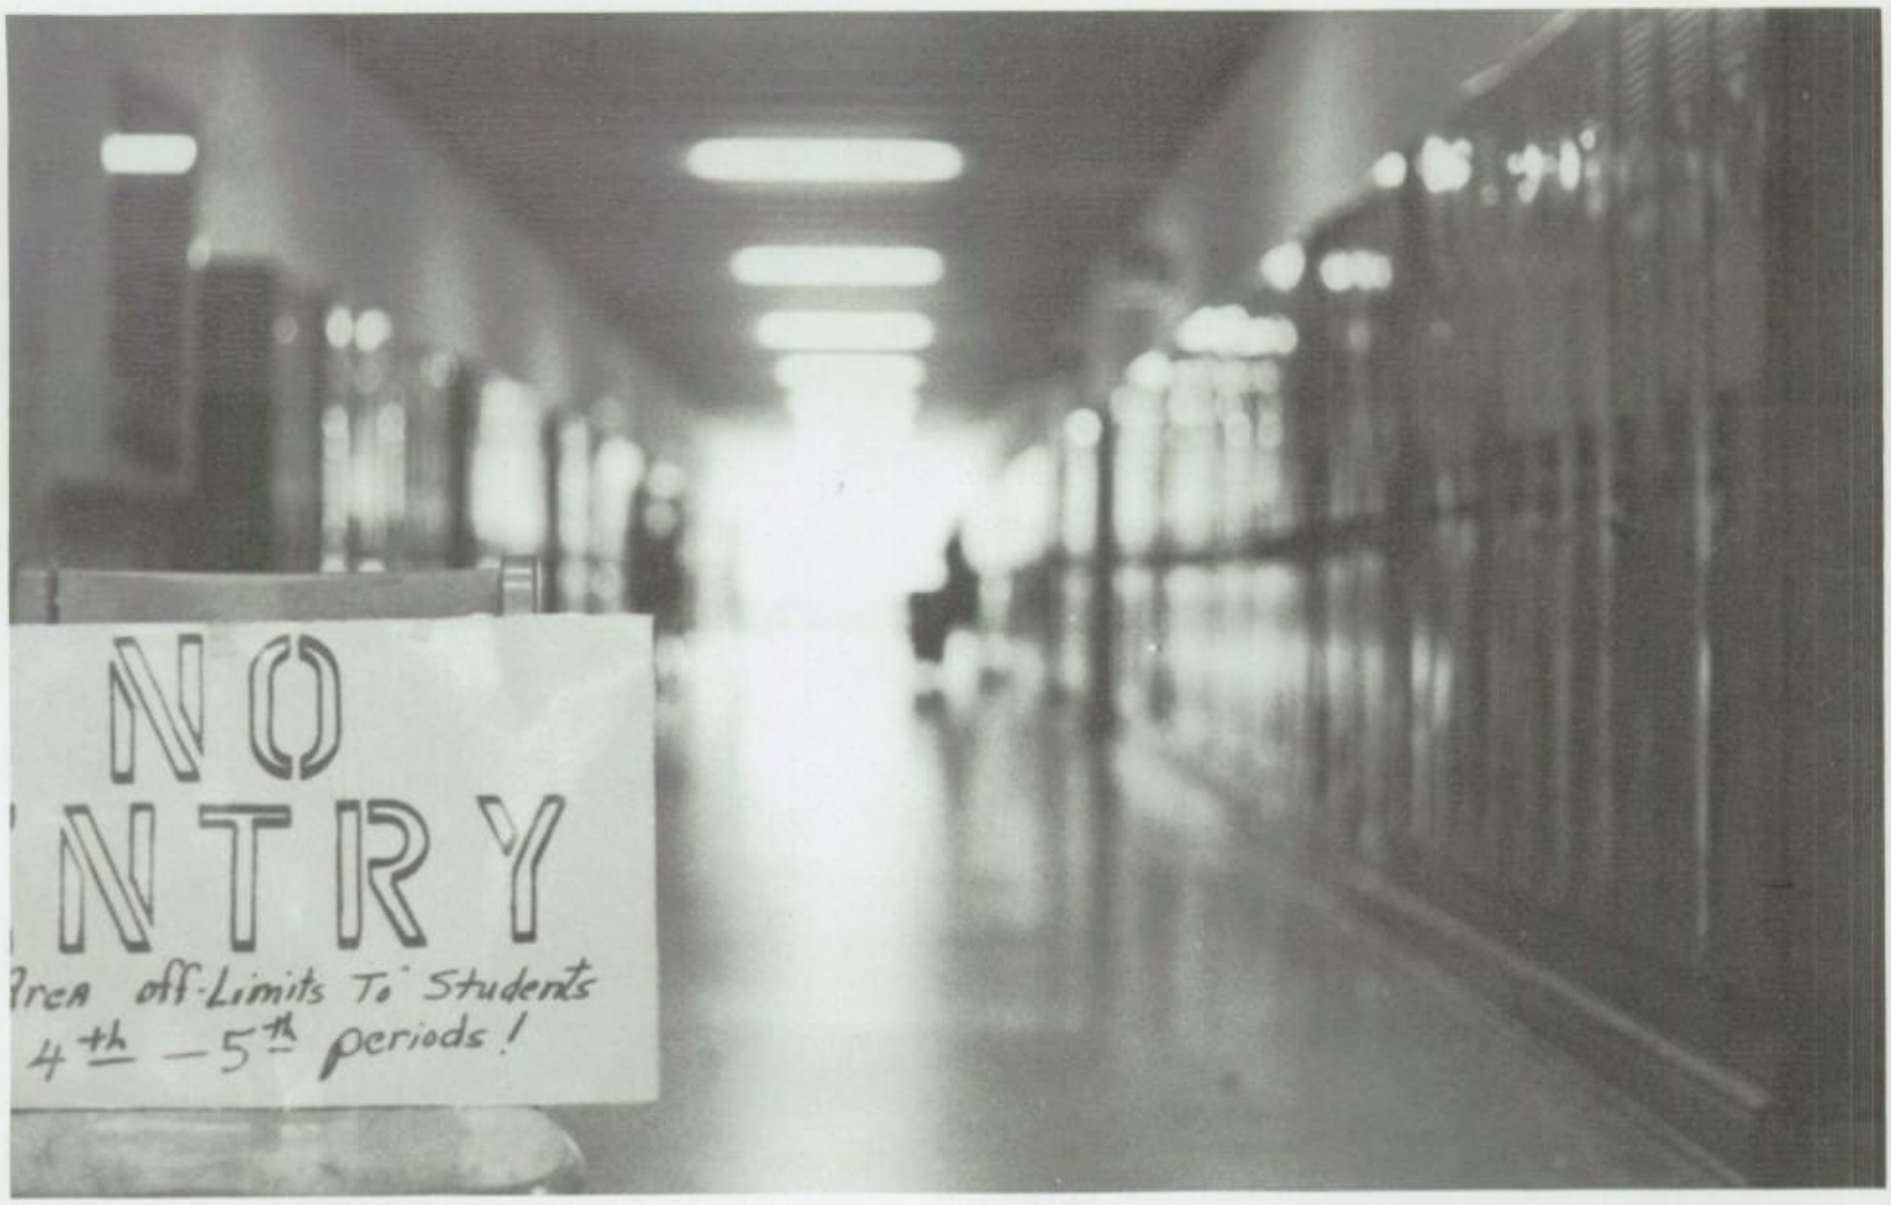
Some students are fortunate enough to have gained, over the past school years, friends they will always remember, trust, and love. And yes, love does exist between some students, whether it be between friends, or girlfriend and boyfriends. To find that special person with whom one can share one's secrets and dreams is something we all hope to attain some day. Many people negatively criticize this type of relationship at school, but what is more beautiful than seeing two people that care about each other, holding hands or just sitting around talking?

And where there are friendships, there are bound to be people who simply don't get along with each other. To play the role of the enemy is a role we should strive to avoid. But where there's love; there's hate. Where there's trust, there's suspicion, and where there's hope, there is, unfortunately, disillusionment. But we should not despair for love, trust, and hope conquer all.

There is much matter to be heard and learned.



Live a little, comfort a little, Cheer thyself a little.

As we progress through the "drama of life," many times we will put on our masks and not allow anyone to penetrate our aegis of emotions. We'll flash a nice empiric smile, when inside we feel somber. It's only human nature to want to protect ourselves and hide our emotions from others; this strength is good if it's appropriate for the occasion. However, there are times when we should show our emotions to accentuate our true feelings and be honest with each other.

One person in his lifetime has a multitude of roles to perform, and everyone has his time to "strut and fret one's hour upon a stage."

Although the "drama of life" extends beyond the grounds of Wake Forest-Rolesville High School, our school is in the setting for the ultimate act in which we all play an important part. Many of the roles we play are captured in this yearbook for it reflects our interactions with each other and how we participate in each other's lives.

The sight of lovers feedeth those in love. Bring us to this sight, and you shall say I'll prove a busy actor in their play.

It is to be all made of fantasy.

Will, 4-19-82

Well, this shit is almost gone. I'll be honest I use to hate your guts, but now we are closer than ever. I enjoyed setting and dissecting with you in "BIOLOGY". I never have told you this but that is the stupidest laugh since Mrs. Sylvia S. Jones has heard ever! Ha! Ha! Ha!

Spirit Week:

Ancient Greece?

Imaginations ran wild during Spirit Week, Oct. 12-15. On Monday, many students participated in Hat and Shade Day. Teddy O'Neal won a contest during break for wearing the craziest hats. Tuesday was Toga Day and students came to school wearing their favorite sheets. Although there were many participants in the "pretty legs" contest, Grady Macon was crowned "Mr. Pretty Legs" by a unanimous vote. Wednesday was the day to "punk out" and another contest was held to determine who had the most "off the wall" outfit. The last day of Spirit Week was Rock Harrison Day. Allen Stone was named "Rock Harrison look-alike." Thursday afternoon a pep rally was held to cheer the team to a victory over Erwin, 22-8. Spirit Week definitely ended in a success.

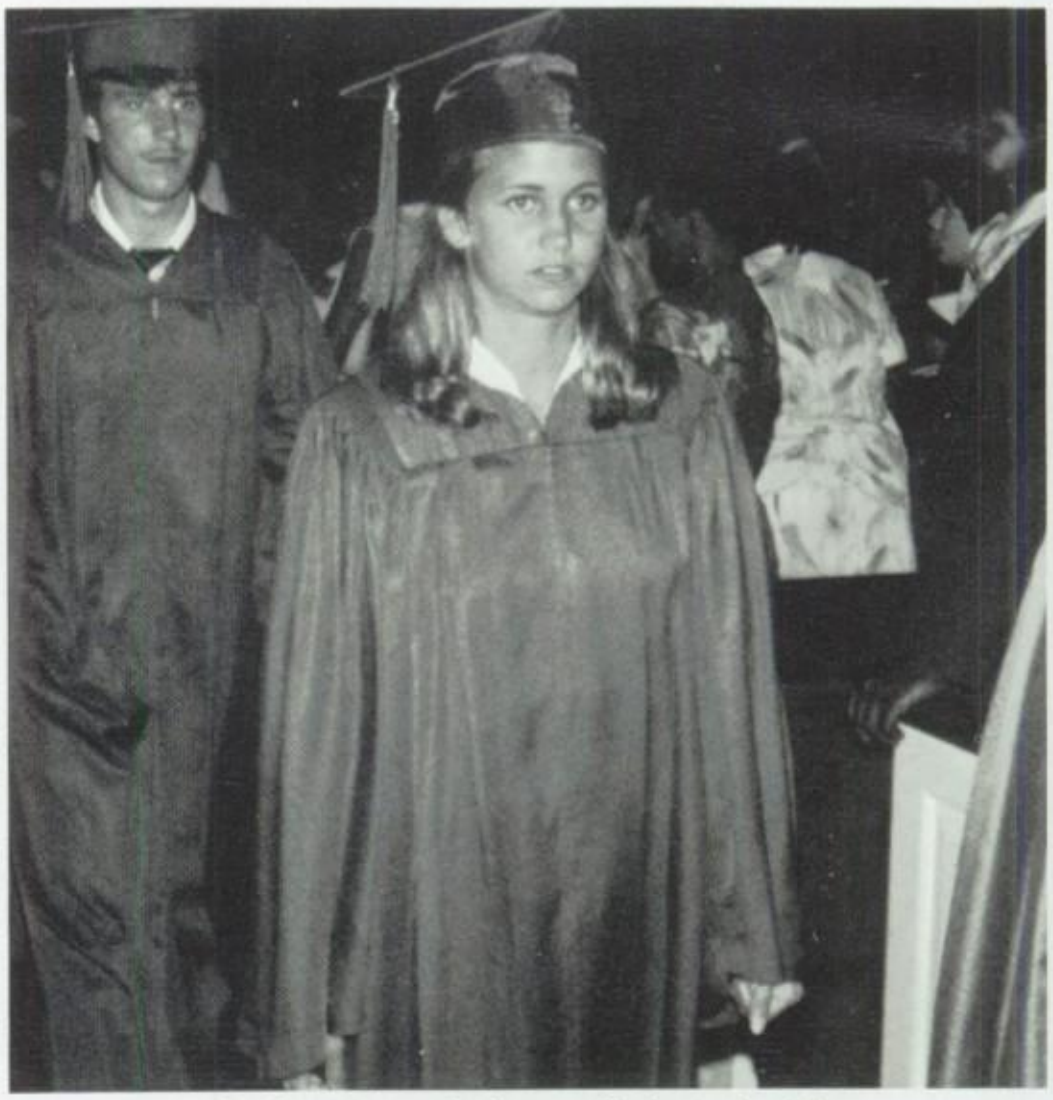
Graduation: The Rise To The Top

Graduation is one of the longest awaited, happiest times of one's life. 177 seniors shared this happiness as they walked down the isle in Binkley Chapel on the campus of Southeastern Baptist Seminary, June 2, 1981.

The senior speakers for the 1981 class were Tony Chambers, Rachel Carrington, Greg O'Neal, and Karen Young. After all speeches were given the anxious seniors were presented with their diplomas.

Baccalaurate was held on Sunday May 31, 1981. Rev. R. H. Williams gave a heart warming message with the theme "Don't Blow It, Grow It"!

Marshals for the graduation ceremony were John Philbeck, Chief Marshall; Amy Byard, Fran Cook, Jamie Eller, Sharon Fisher, Faye Hollon, Dwight Lowery, Ailene Lucas, Keith Warbington, Susan Wilder, Jonnie Susan Young, and Karen Burnette.



Students enjoy the long walk down the isle.

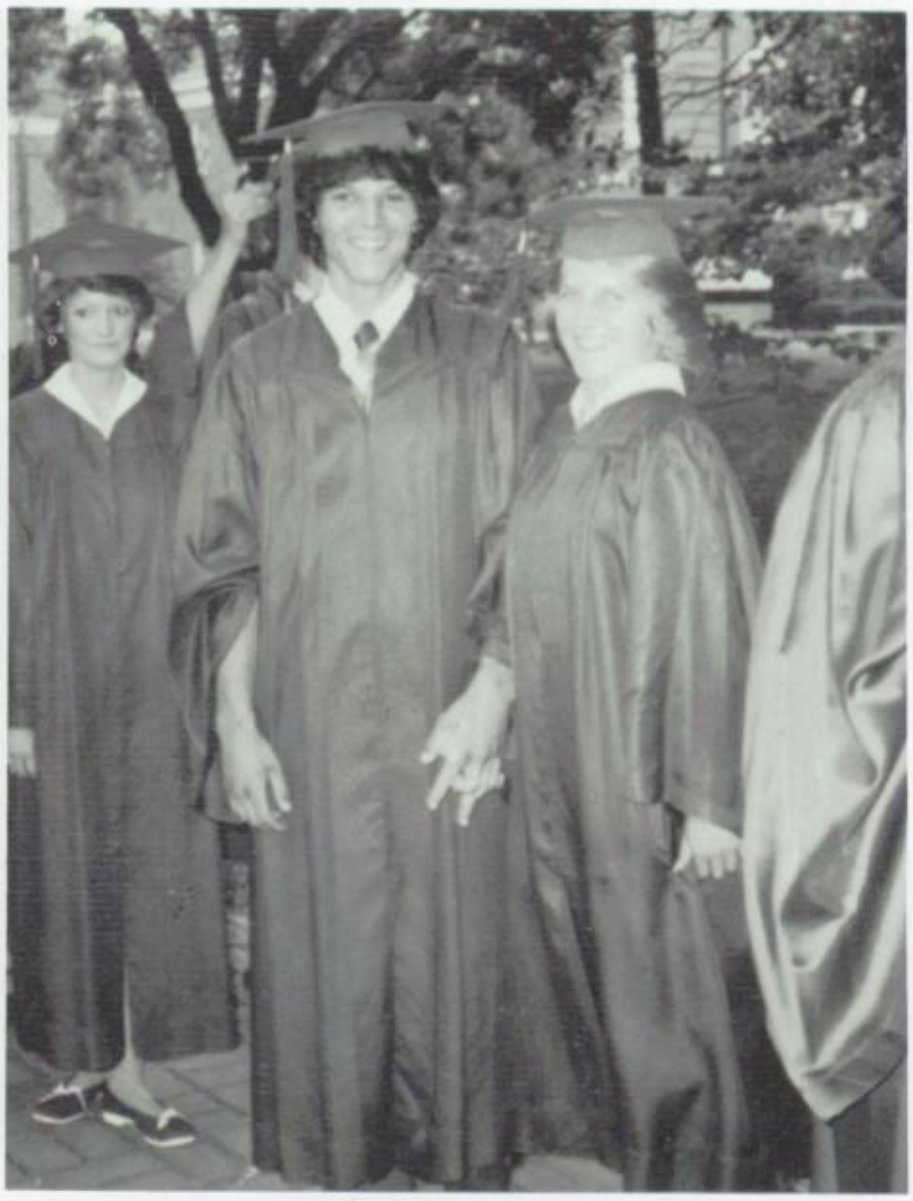
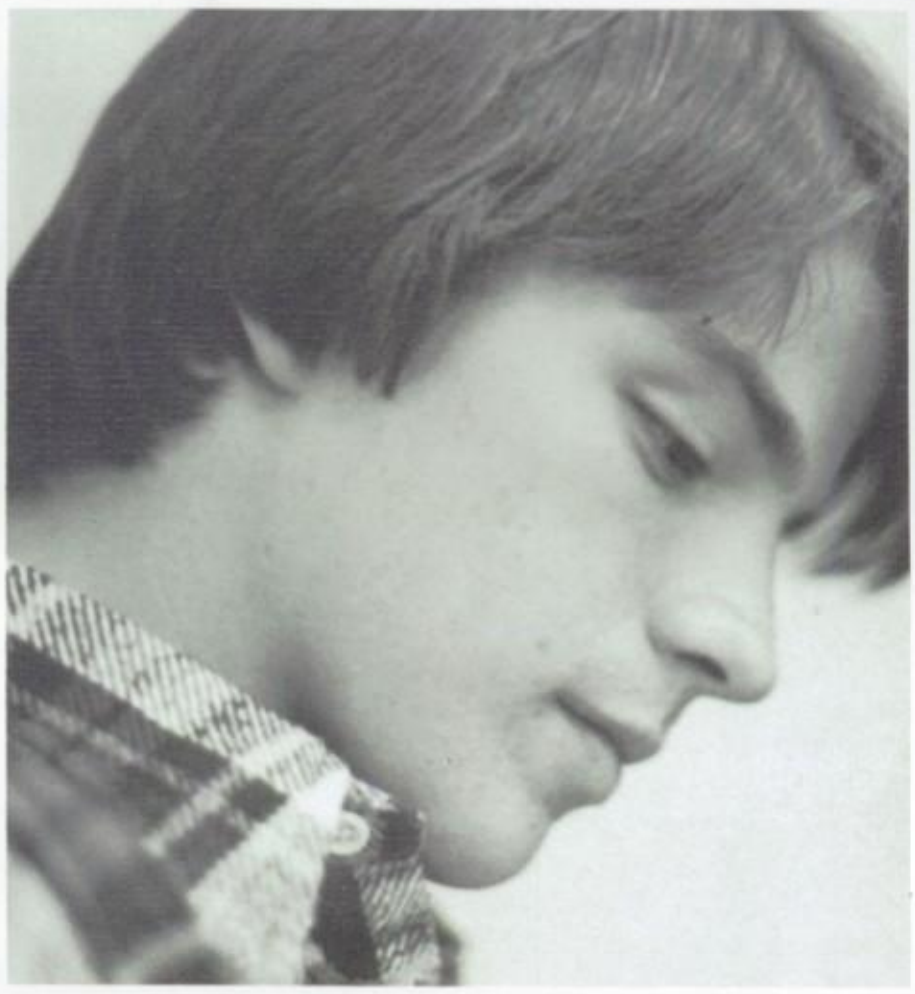
What a long strange trip its been . . .



Seniors await . . .

It's called growing up . . .

Smoking is not all we do . . .



As students and teenagers, we are now faced with some of the most trying times of our lives. We have reached an age in which we have been given more freedom and a chance for more social activity, but more importantly, we have begun to accept more responsibility.

It is true that people change with the times. Interests are different; responsibilities are greater, and values are more precise. We are spending more time dating or just going out with friends than we did several years ago. Some students are getting married before they graduate; some are taking on various jobs after school or at night, and some are just learning to deal with new and different situations at school and at home.

These discoveries and new experiences are all part of a process called growing up and each one of us has to do his own growing. We can always accept advice from one older or wiser, but we have to make our own decisions and mistakes and learn from them.

Studying is a big responsibility.

Discussing problems is a way of finding solutions.

Jerry Fountain works hard at Keith's after school and on weekends.

Enjoy living your own life, making your own decisions or just "doing your own thing."

Privacy is a must in our hectic life.

Students enjoy games during free time.

FOOTBALL '81-WINNERS

The 1981 Varsity Football Team, under the leadership of Coach Rodney Harrison, was one of the best football teams ever at WF-R. The Cougars compiled an 8-2 record, their third straight winning season and finished third in conference also for a third straight year.

The Cougars had what it took to be a winner: togetherness, leadership, a good attitude and big play people. A prime example is after the loss to Clayton the Cougars needed a victory at North Johnston to get back in the conference race. With 8 minutes left in the game, the Cougars were trailing by 8 points, but then the Cougars exploded for 20 points to take the victory and regain their place in the conference race. If the Cougars had beaten Bunn they would have tied Fuquay for second and had a chance for the play-offs, but the Cougars lost to Bunn and Fuquay took second place. Coach Harrison and the rest of the Cougars were disappointed about losing the game and the way they lost it. However, the Cougars had nothing to be ashamed of, for Coach Harrison summed up the season by saying the cougars had an "extremely good season" and "winners."

The Cougars started off the 1981 football season with two straight wins over Hobbton and East Wake. The Cougars first loss came against Clayton as the Comets won by a 41-20 score. The Cougars then went to battle against North Johnston and after trailing most of the game, the Cougars came back in the final 8 minutes and scored 20 points to take a 26-24 victory. After traveling to North Johnston, the Cougars went to Franklinton to take on the Rams. The score was tied 6-6 at halftime as Jamie Holland took the second half kick-off back 80 yards for the winning touchdown. The Cougars then whipped Zebulon, Erwin, and Louisburg. Then a weak South Granville team traveled to Wake Forest. They proved to be tougher than WF-R had expected, but the Cougars come out on top of a 13-0 victory. Dreams of a play-off berth and a 9-1 record were shattered as the Cougars were upset by Bunn, 24-0. Even though the Cougars did not make the play-offs, they still had a great season and they were one of the best football teams ever at WF-R.

J.V.'S HAVE A WINNING SEASON

The 1981 Wake Forest-Rolesville J.V. Cougars had the best season they ever had. They improved over last year's 4-3-1 record to 5-4. Much of the success is attributed to their hard work and dedication. Practice started in August and continued throughout the season, for two hours after school. Outstanding players of this year's team were: Terry Jones, Lamon Spainhour, Charlie Brown, A.C. Rich, Jim Cobb, Donald Goins, Jeff Marx, George Upchurch, Mike Dammann, Steve Morris, Greg Morris, Jimmy Stuart, and Emanual Fogg. The Captains of this year's squad were Vincent Morton and Ricky Casey. The Cougars will field an experienced team next season since many of the team members will be returning. They all have high hopes for an even greater season for next year.

Cam McCamy discusses play with Brien Braswell.

An inexperienced soccer team took to the field in 1981. Even with the inexperience, the Cougars had good senior leadership to help the young team along. WF-R is one of the few 2A schools that has a soccer team and the Cougars schedule is filled with tough 3A and 4A teams. The Cougars proved they could play just as well as the larger schools by posting a 7-9 record and finished 4th in a very tough conference race. Graduation is going to hurt the Cougars, but the remaining players are going to be experienced and will know what it takes to be a contender in a tough conference race.

Defense: The key for the J.V.

For many seasons the famed Cougar press has been working its magic for the WF-R basketball teams, and now it's doing the same for '81-82 Junior Varsity team. Under the leadership of Coach Ron Daniel, the J.V. team has performed much better than expected. The Cougar's defense isn't the only thing they have; they have quite a potent offense led by the Emmanuel Fogg, Jeff Harris and Leon Crudup. If their performance is any indication of what is to come in the future, Cougar basketball is going to have many more successful seasons.

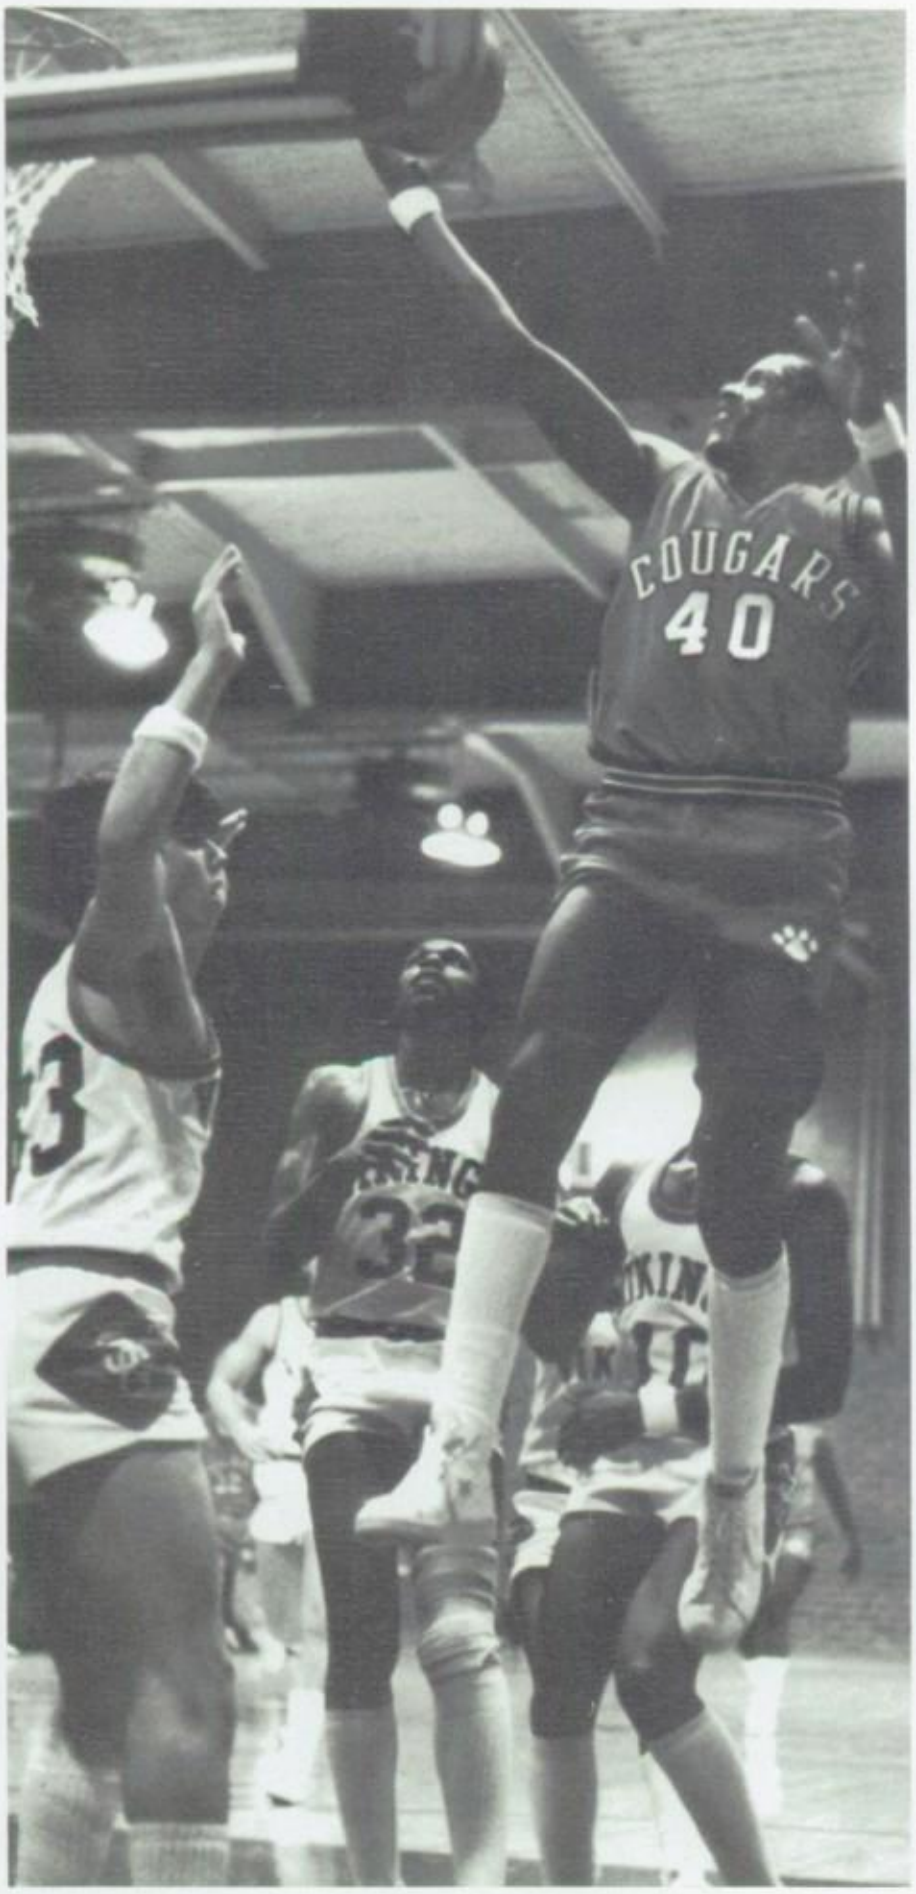
The *"Times"* has arrived



Clarence Wilkerson glides over three South Granville defenders.

Over the past few seasons, Wake Forest-Rolesville's luck in the Raleigh Times Holiday Tournament hasn't always been the greatest; WF-R has never finished higher than 4th until this season. WF-R entered the tournament with one of the best records, 7-1, and were among one of the favorites to win. The Cougars defeated Cary 73-66 in the first game. In the semi-final game, WF-R slipped by Enloe 69-67 on a Clarence Wilkerson lay-up with four seconds remaining in the game. If the Enloe game wasn't enough of a heart stopper, the championship game against Athens Drive was all that and more. WF-R trailed all throughout the game by as many as 13 points. But the Cougars fought their way back and tied the game and forced it into overtime. With 52 seconds remaining in overtime, WF-R was up by 6 points, but Athens tied it with 5 seconds left in the game. The Cougars got the ball in bounds, and Carlton Clanton received a long pass to lay the ball in, as time ran out, to give the Cougars a 67-65 victory and first Times championship. Now that WF-R has one championship under the belt this season, the Cougars are certainly going to be shooting for the state championship.

SUPERSTAR — SUPER TEAM

Lisa Squirewell, an excellent all-around athlete, made a great tribute to our school. Some of her accomplishments during her four years of high school basketball are the following:

All Conference — Four Years
First Team All East — Three Years
First Team All Metro — Three Years
Metro Player of the Year — Jr. and Sr. Years
M.V.P.. — B/C All Star Camp — One Year
M.V.P. — Kay Yow Camp — Two Years

The most points scored in one season are 750. By the time Lisa completed her senior year, she had scored more than 2000 points in her career. Only 23 people in high school in the United States have ever scored 2000 points. Lisa is the first girl to score that many. She has made Pre-Season All American/All State.

All of these accomplishments would not have been possible without the outstanding work and effort of her teammates. All of Lisa's and the team's success would not have been possible without the tremendous attitudes and desires that they possess. Most of the help, appreciation, advice and care came from her coach, Ron Daniel.

"Listen to the Beat

This year was one we will never forget! From our week at camp, we became a squad working together as one unit, to the last basketball game, which afterwards we cheered until the bus pulled into our school parking lot!

The closeness between the cheerleaders and teams was really great. We loved supporting our athletes and felt very much a part of their season-football and basketball.

Our pep rallies were the best ever with the class rivalries over the spirit stick. A highlight at the homecoming pep rally was a pie in the face of our own fantastic coach, Mr. "Rock" Harrison.

Like we said 1981-1982 will not be forgotten. It was an honor to be a representative for WF-R and support our athletes.

Baseball Runs to a 16-6 Season

and fires.

The 1981 Varsity Baseball had another excellent season, finishing with a 16-6 overall record and taking third place in the conference. Although the 1981 team just missed the playoffs, the 1982 team has high hopes to make the playoffs. This will be tough because of the graduation of many talented players such as Tony Upchurch, Kevin Harrison, Jerome Upton, Greg Squirewell, Doug Collins, Tim Riggins, John Arnold, and Robert Mitchell. Although these players will be missed, many talented ones will return, and under the leadership of Coach Thompson anything is possible.

1981 was a very successful season, the best ever for WF-R's Lady Cougars. The girls, led by All-Conference veterans Lisa Squirewell and Wendy Lynam, finished 9-5 in the Capital Area Conference and 12-6 overall. These girls together batted over 1000. Gwen Merritt and Joan Wiggins rounded out the All-Conference selections from the Cougar staff, contributing heavily to a strong defensive team. Coach Phil Annas attributed the losses to a couple of "timely errors" and inconsistency at the plate. As Mr. Annas says, "The key to success is practice, practice, practice."

Boy's Tennis Team Serves Up A Winner

The Cougars ended last year's season with a 7-3 conference record and a 9-4 overall record.

We have to get our pictures taken, but why?

Keith Warbington, Mark Sullivan, and Brian Braswell would rather surf on the snow than hold tennis rackets.

With the return of last year's top players along with any new talents that should spring up, Coach Grady Stephens is expecting another good season for the boy's tennis team. Number one ranked Brian Braswell will return, hoping to improve his outstanding 8-2 conference record. Returning with him will be the number two ranked player Keith Warbington, who finished last year's season with a successful 9-1 conference record. Mark Sullivan, who was ranked number three last year, will also join the 1982 team.

Coach Stephens lost four seniors last year: Tony Chambers, Fred Wilkerson, David Cumbee, and Ed Lilly. He also lost a junior, John Orr, who moved before the 1982 season began. Coach Stephens is expecting some new players to join the team, and he is looking forward to an exciting season.

Mark and Brian demonstrate their skills in waving bye-bye.

This year was an interesting year at Wake Forest-Rolesville High School because the student council was composed of mostly girls. The four-boy, fourteen-girl club tried throughout the school year to plan activities to promote student involvement and to respond to any controversial issues concerning the governing of our school.

The five main officers were Susan Wilder — President, Lisa Squirewell — Vice President, John Philbeck — Secretary, Anthony Allen — Treasurer, and Evelma White — Parliamentarian.

Home Room representatives: First Row: Ray Lucas, Lurenda Lucas, Kim Wells, Lisa Mickshutz, Kim Corbett, Linda Blackwell, Craig Warbington, Joye Joyner, and Randy Perry. Second Row: Patricia Gilmore, Hope Lucas, Duanne Holland, Marty Sherron, Susan Cole, Karen Jones, Mary Lee, Jenny Ness, Melanie Walton, Randy Floyd, Laura Keith, Mark Sullivan, Ron Shearon, and Mike Bartholomew.

Another Rewarding Year

Under the supervision of Mrs. Sylvia Jones, the Jr. Civitans had an active year. Like every year, the club conducted an initiation day for those wishing to join. In addition to the initiation, the new members were required to fill out a questionnaire and to participate in Rush Week.

As in the past, the Jr. Civitans raised money through numerous activities for the Association of Retarded Citizens. They also collected funds for the March of Dimes by working at the Pumpkin Patch at North Hills. The club members also actively participated in the Wake Forest Firemen's fish fry.

The club is very proud of its member Sharon Fisher, the current Miss Jr. Civitan of North Carolina. This past summer she traveled to Alabama, where she captured third place in the International competition.

The International Club of last year disbanded into individual clubs for the 1981-1982 school year.

This year the Latin club became an organized, functioning body. Headed by Emporer Andrew Tuttle, the club planned going to U.N.C., Duke, or N.C.S.U., with the purpose of sitting in on a Latin class. They also hoped to go to a session of Wake County Court in hopes of recognizing legal terms from the Latin language.

French Club

Front row: Michelle Bragg, Lora Clement, Shelby Erdman, Anthony Allen, Susan Cole, Mark Sullivan, Amy Richards, Todd Allen; second row: Angela Hunter, Leigh Ann Warren, Angela Morgan, Joy Hyatt, Wendy High, Deeda Williamson, Evelma White, Starlet Eastwood, Laura Keith, Andrea Cumbee, Cindy May, Sheilia Barrow, Mary Lee; back row: teacher Donna Clark, Renee Garner, Margo Ingeals, Fran Cook, Amy Byard, Jamie Eller, Reginald Brooks, Tom Bowen, David Young, Susan Wilder, Jonny Leggett, John Philbeck.

The French Club planned a dinner at teacher, Donna Clark's house. They also had hopes of going to a French restaurant.

FBLA Gets A Good Start

A new club was formed at WF-R this past year for persons taking any of the advanced level business courses. It is the Future Business Leaders of America Club, which is a national organization open to secondary school students. The WF-R club has 43 members. Some of the goals of the club are to develop business leadership, strengthen the confidence of the students, and to create more interest in American business enterprise. The club raised over $400 this past year in fund-raisers. They also had two business programs in March and May. The advisor was Mrs. Pam Richardson.

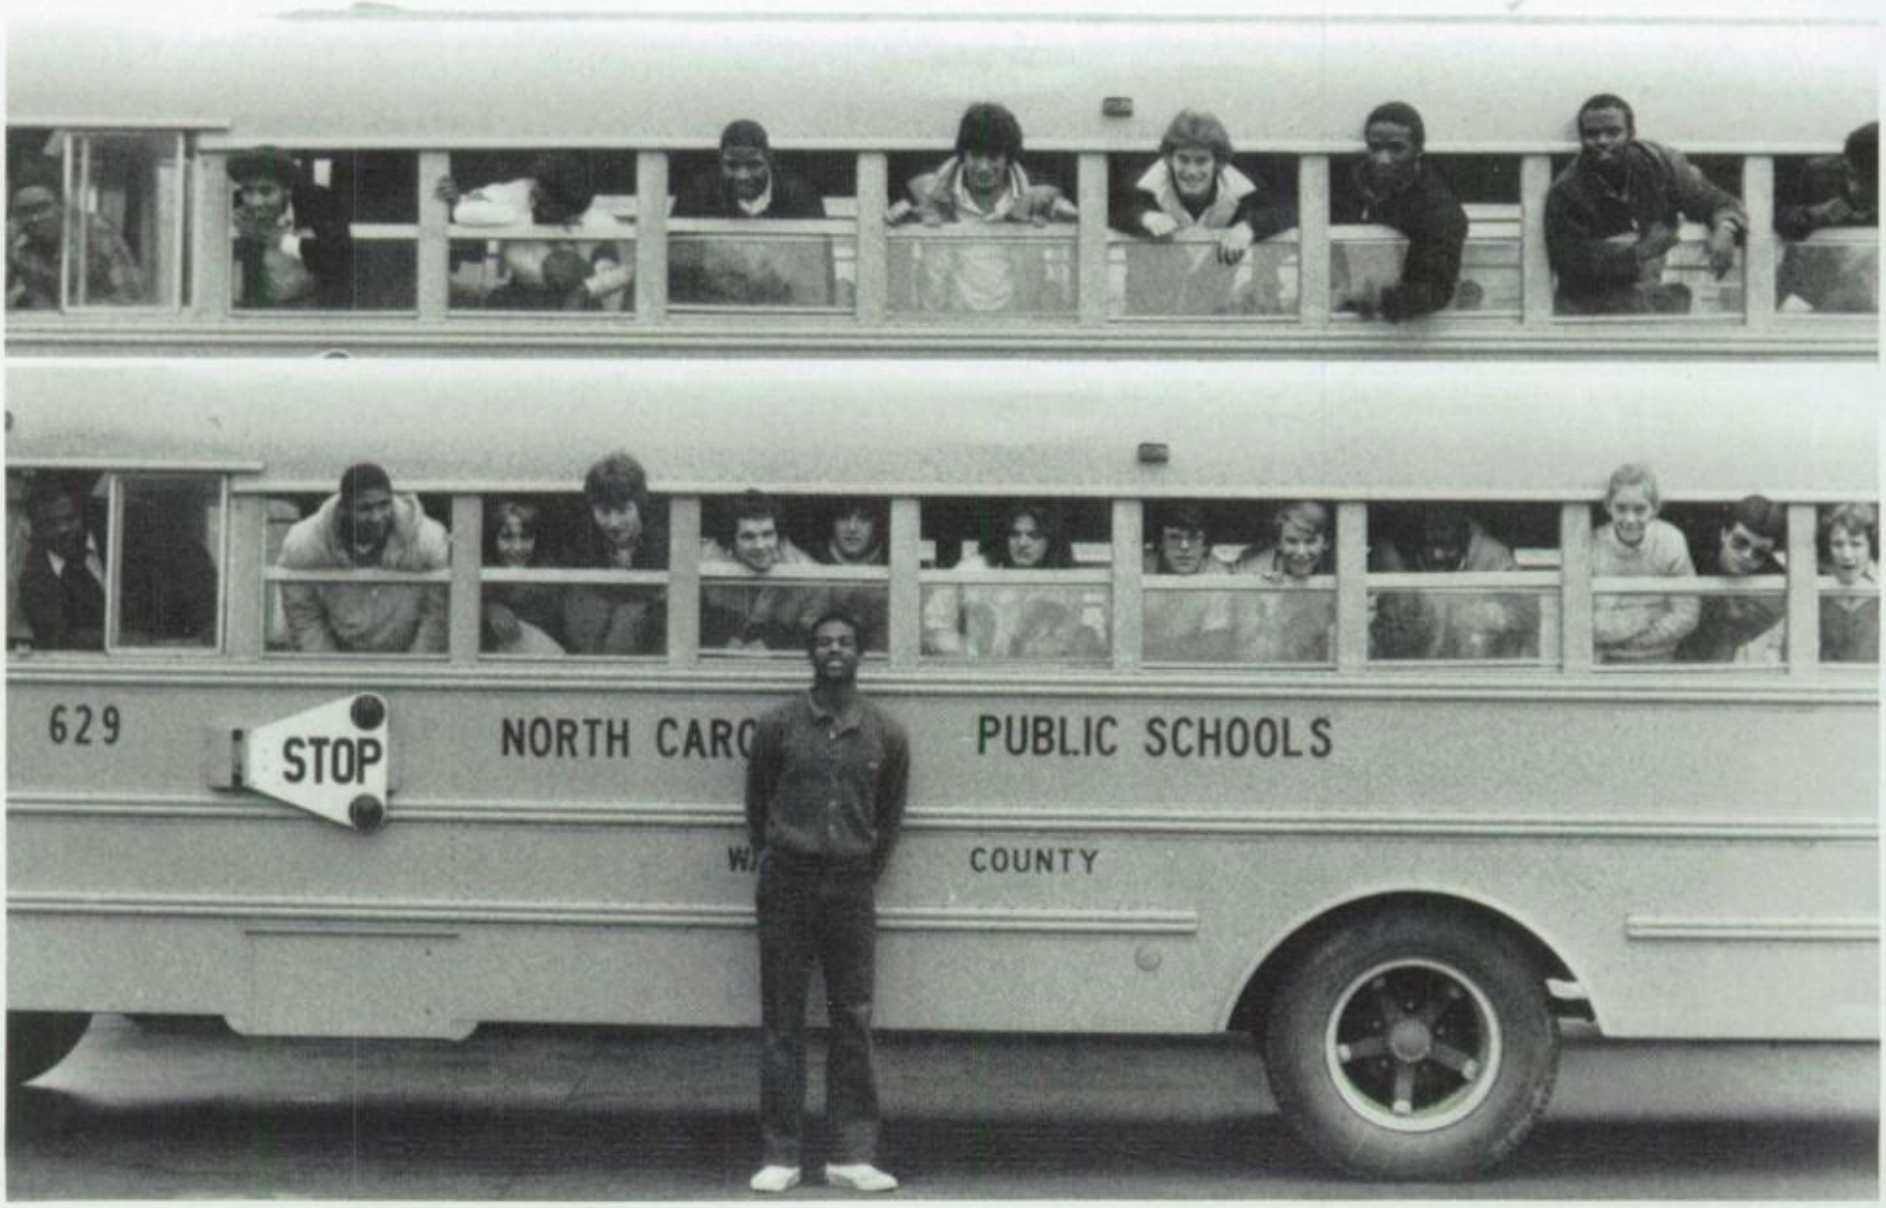
1982 was a challenging year for the enthusiastic sports fans belonging to the Pep Club. As the school year got underway, these 30 dedicated members participated in several activities to raise money for their club. Two of the main fund-raising projects were the selling of Cougar hats and homecoming corsages.

The Pep Club mainly promoted school spirit at pep rallies and during ball games.

The officers for the 1981-82 school year were: Mike Bartholomew — President; Lisa Squirewell — Secretary/Treasurer; Advisor — Lynn Wall.

Driving a Bus: A Responsibility



First Row: Travis Jones, Mr. Williams (sponsor), Donald Burnett, Kenny White, Scott Carter, Ricky Casey, Jimmy Harp, Chris Prowell, Donald Warren, Mark Harrison (treasurer), Robert Lee, Starlet Eastwood, Stacy Pearce (President), Daren Ellis. Second Row: Kenny Sanders, Sharon Holman, Priscilla Holman, Mike Fogg, Jimmy Alford, Harold Scheller, Richard Stallings, Darryl Harris, Asbury Forte.

Most people don't realize what is involved in driving a bus. A busdriver has to get up early every morning and start running his route while some of us are still sleeping. Despite the distracting noise, he must drive cautiously to school. Then, in the afternoon, he sees that all the passengers arrive home safely.

In order to receive a bus license one is required to be 16½ years old, with at least six month driving experience and complete a bus driver's training course. In the class part of the training course one has to have a passing score of 80.

On the road part of the course one must satisfactorily complete the behind-the-wheel training. However, the most important part of driving a bus is being responsible for the safety of the passengers.

FHA Lends a Helping Hand

FHA members from top to bottom are as follows: Andrea Lucas, Nevette Gill, Sheila Joyner, Sherrell King, Celeste Lucas, Ailene Lucas, Nancy Penny, Sandra McCants, Pat Alston, Anita Massenburg, Juanita Jeffreys (secretary/treasurer), Deborah Scarborough, Joyce Robertson, Norma Harris (vice president), and Trina Thomas (president).

FHA's sponsor Mrs. Cathy Woodlief.

Despite its small membership the FHA (Future Homemakers of America) had a rewarding year. For example, just before the Christmas holidays, they collected nonperishable food items and gave them to several needy families.

As for its goals, the club hopes to increase membership and complete another service project before the year is over.

FFA Works Towards Goals in '81-'82

This past fall as you walked to and from lunch, you may have noticed a bunch of guys diligently working on the landscape of the area, around the media center. They were members of the Future Farmers of America of WF-R. There are 40 members in all. The FFA club has worked on this project since last spring and they hope to complete it by late spring 1982. They worked on the gully between the teacher's parking lot and the parking area for the buses. They also participated in 12 FFA contests ranging from livestock judging to horticulture contests. Mr. Smith, the FFA Advisor, said that they hoped to send members to the FFA State Convention and to FFA camp. The officers for the 1981-82 school year were President: Darrell Heath; Vice President; Billy Marshall; Secretary: Carl Whitt; Treasurer: Joseph Cooke; Reporter: Tony Medlin; and Sentinal: Angie Medlin.

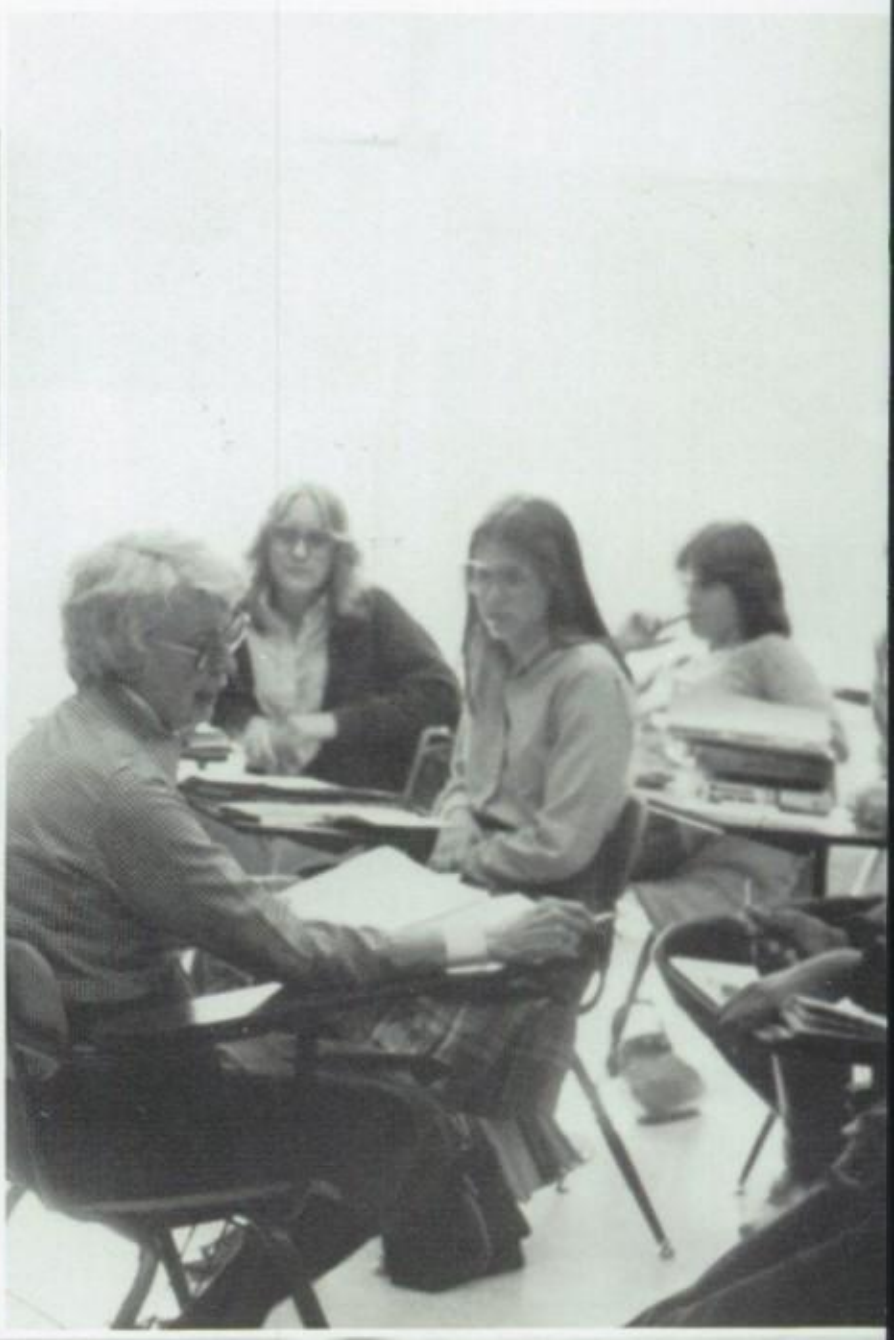
1981-82 Officers: Billy Marshall, Angie Medlin, Joseph Cooke, Mr. Smith, Advisor, Tony Medlin, Darrell Heath.

Row 1: Tony Honeycutt, Nathan Maynard, Sammy Chalk, Jeff Pulley, Louis Clarke, Darryl Jones, Craig Fowler, Robbie Moore, Michael Walston. Row 2: Charlotte Lee, Darrell Williams, Arnie Jenks, Joey Alford, Jimmy Dorsey, Billy Marshall, Kenny White, Joey Coleman, Mr. Smith. Row 3: Angie Medlin, Diane Pearce, Jeff Carter, Troy McGuyrt, Jonnie Leggett, Eddie Keith, Ricky White, David Buffaloe, Darrell Heath, Chris Barham, Joseph Cooke, Bert Marshall. Row 4: Greg Morris, Tony Medlin.

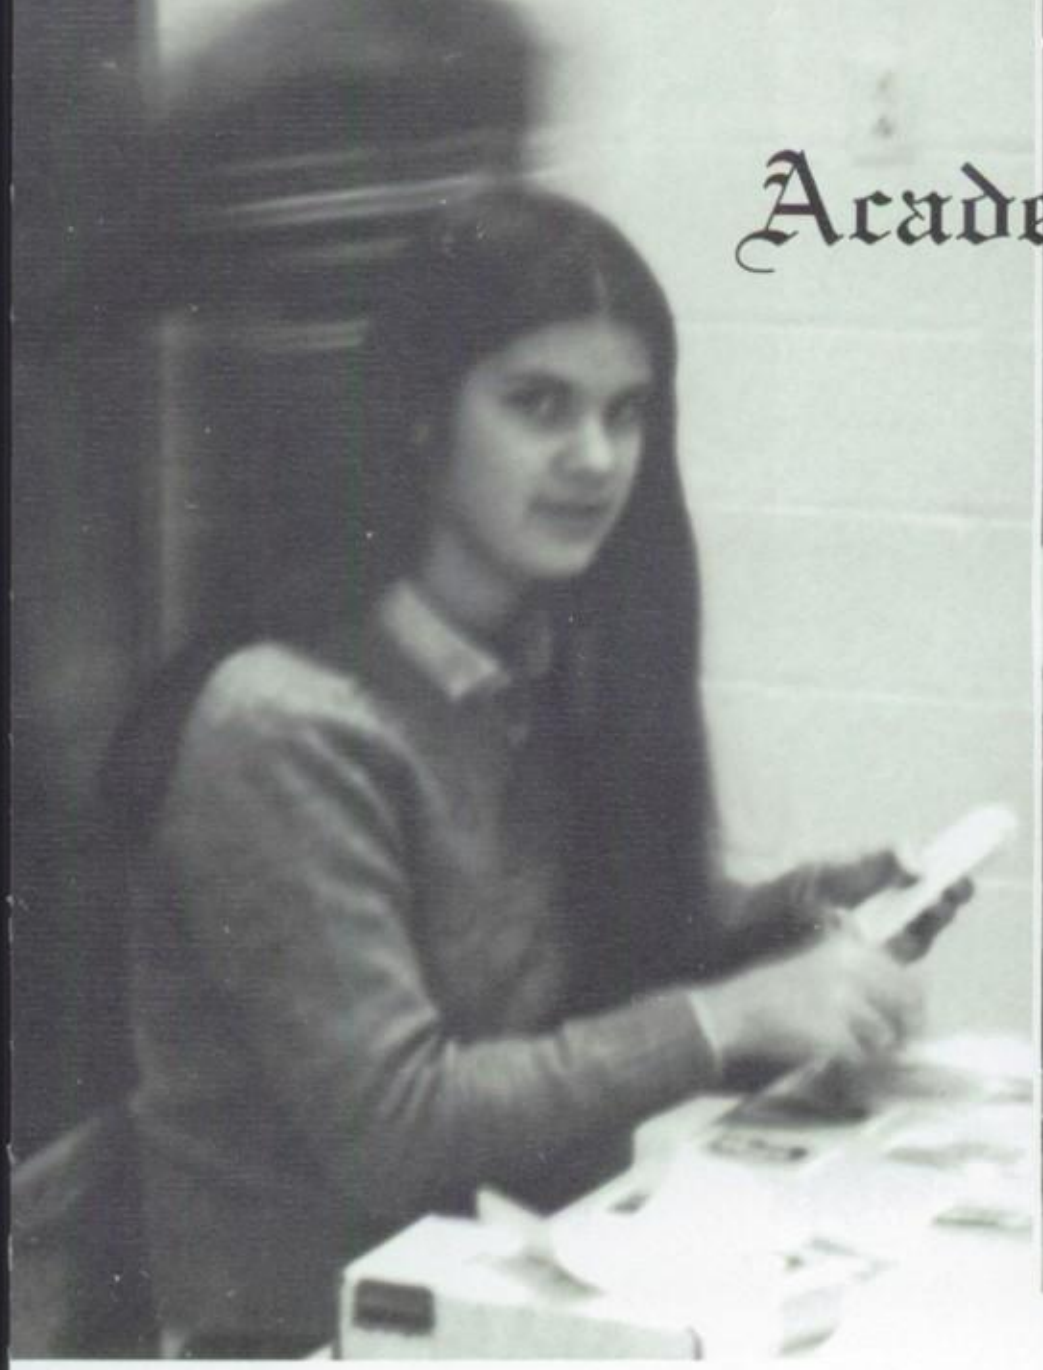
VICA

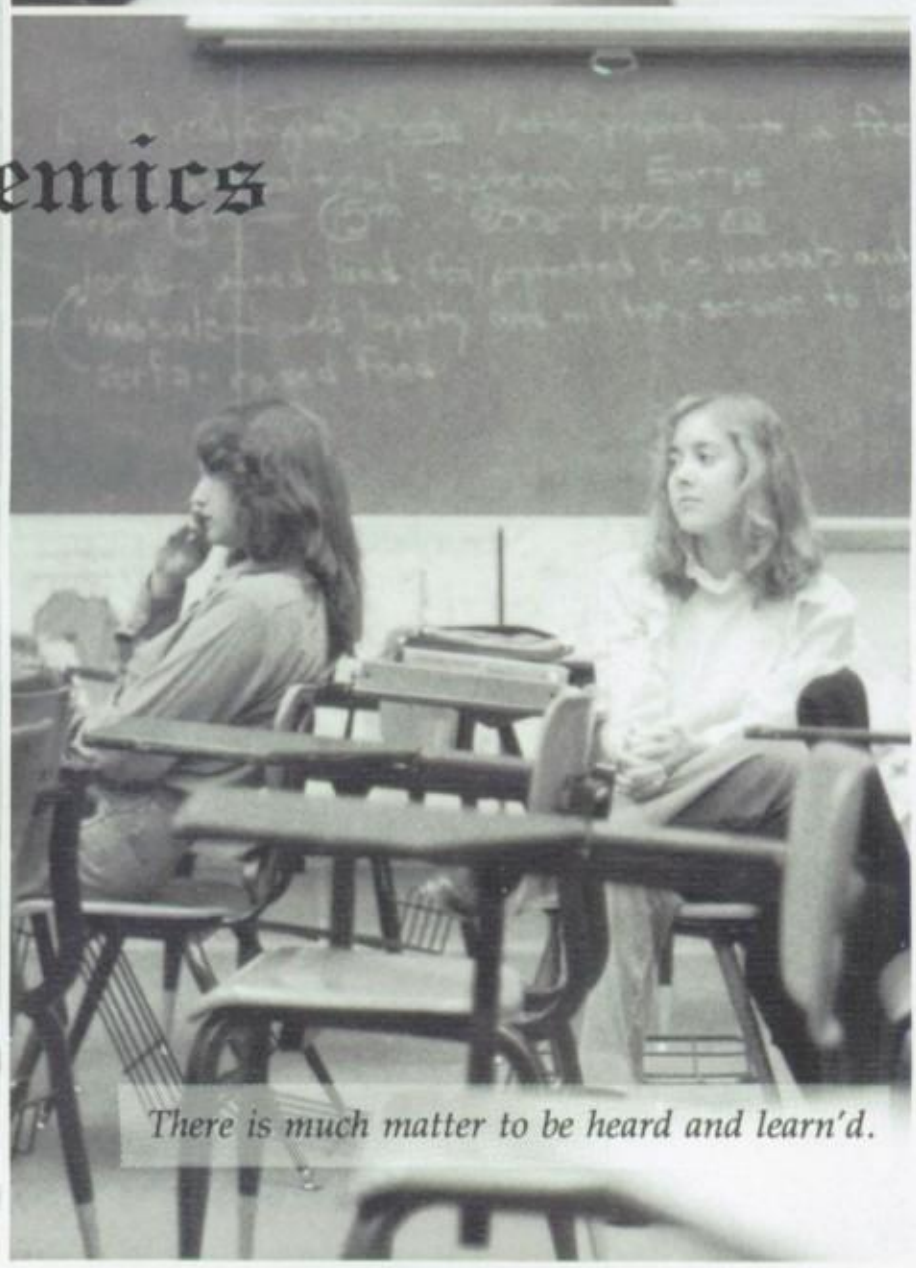
Front row: Ray Opher, Charles Smith, Alan Perry, Brian Ferrell, Kim Barlow, Lisa Horton, Eddie Markham, Donna Vaughn, Julia Jackson, Tommy King. Second Row: Eddie Kieth, Arnie Jenks, Chris Barham, David Burnett, Stancy Dunn, Jimmy Harp, Scott Barlow, Harold Schneller, Brian Brown. Back row: Steve Poston, David Young, Joel Hawkins, Steve Wilkins, Terry Lee Rochelle, Kevin Bowen, Jeff Corbett, Keith Vick.

The purpose of VICA, the vocational Industrial Clubs Of America, is to give students an opportunity to have on the job training and help prepare them for what is ahead in the work world. Proper procedures for job applications and interview are stressed.



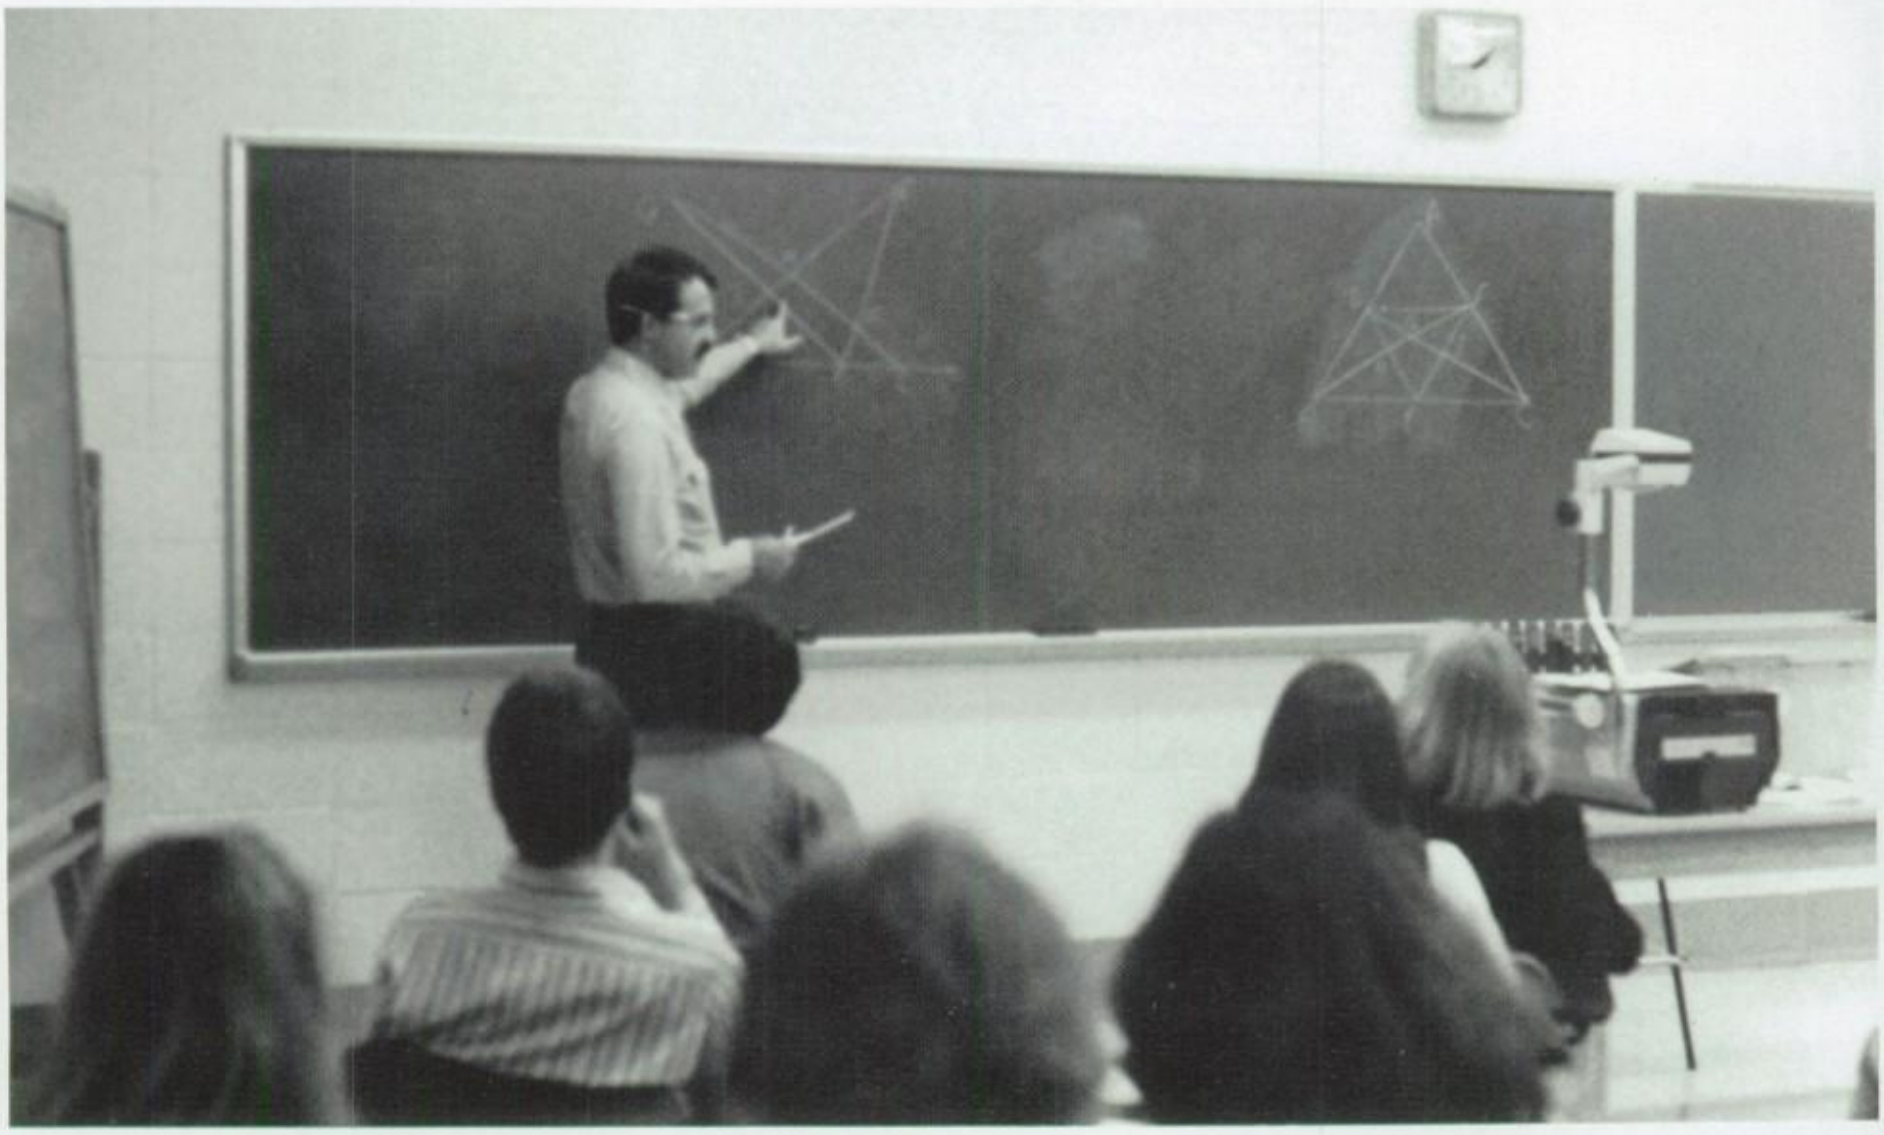
Academics





There is much matter to be heard and learn'd.

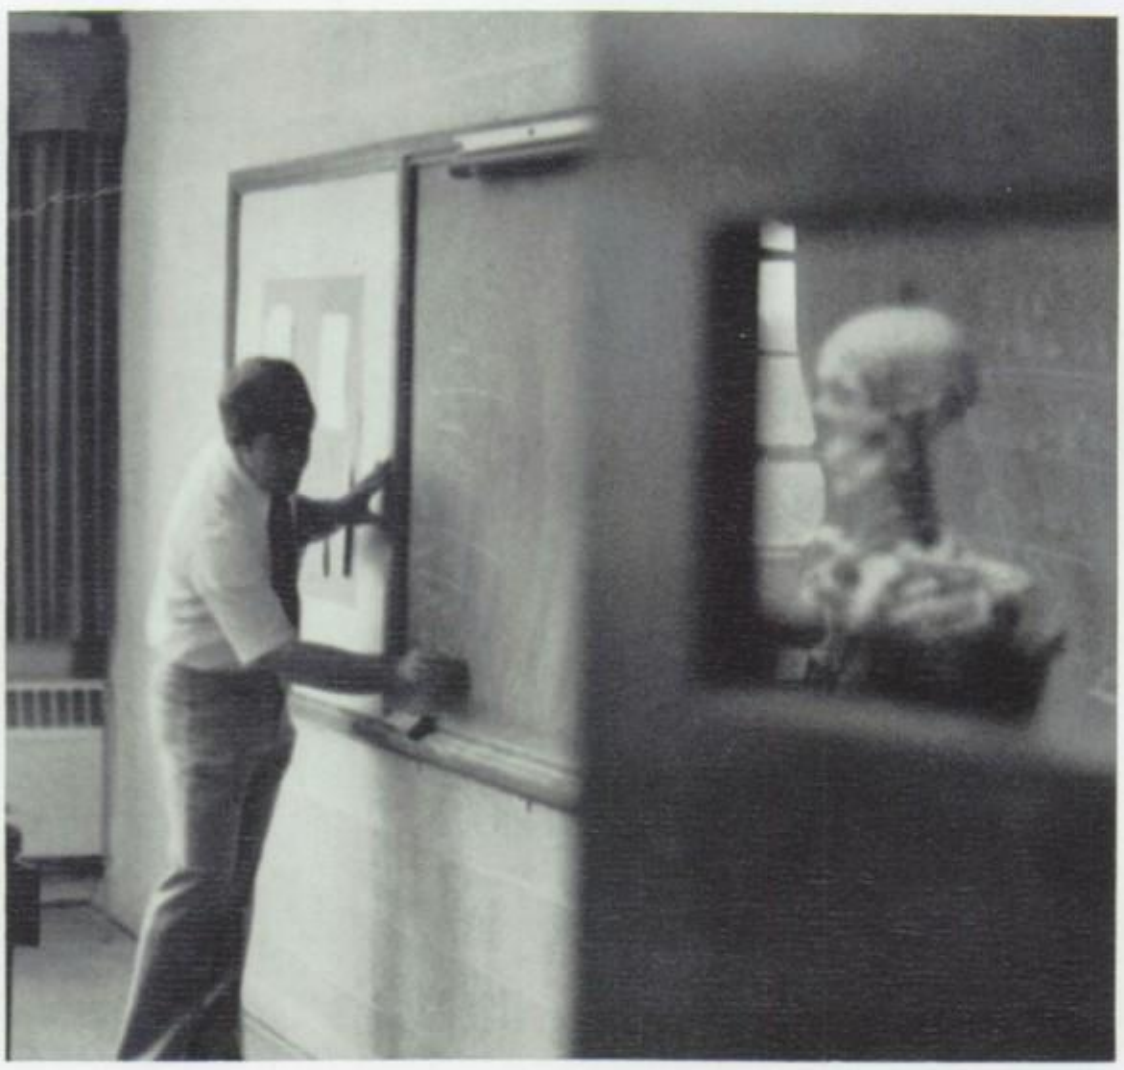
Math: A Prerequisite For College



Students continue to ask why advanced math courses are important. Many feel upper levels of math serve no useful daily function other than a prerequisite for college.

Teachers, on the other hand, advocate math beyond the basics. Mr. Ken Hoyle says these courses bring "personal accomplishment and gain." Mrs. Ivy McClam contributes their worth to developing students' "thinking ability" and she says they serve as a "foundation" in meeting the needs of every day life.

10 STEPS



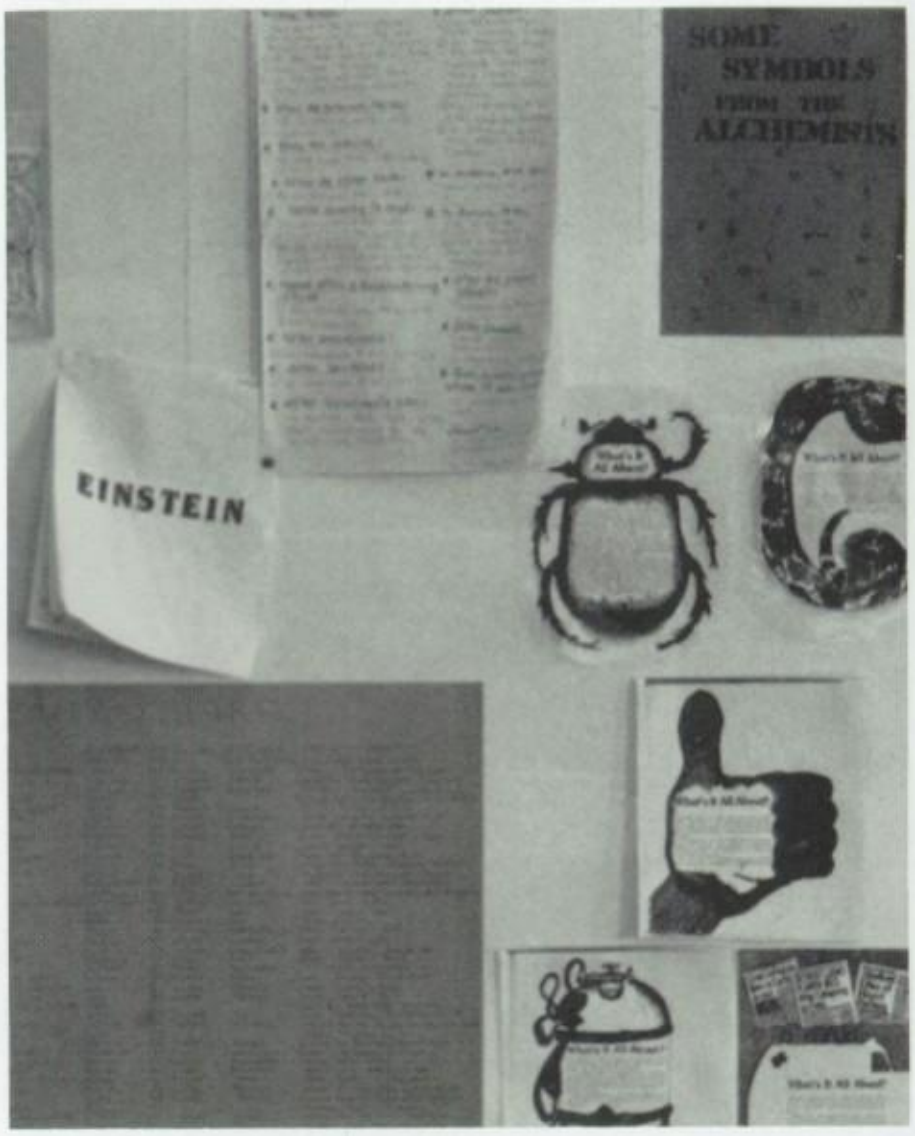
Science With Safety Precautions

The official greeting for 75 of the 90 days during 1st semester chemistry was, "Now *class*, the second bell *has rung*." "Get rid of the gum before you get D-hall."

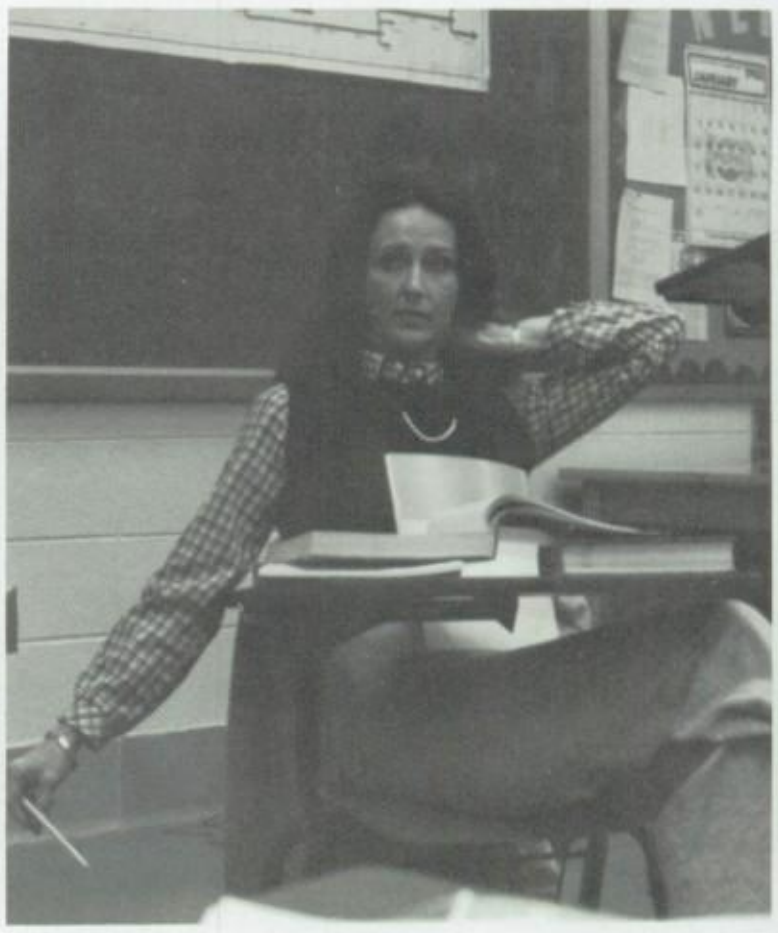
Then came the regular, Thursday morning chemistry labs — hydrochloric acid and magnesium was a sure winner. The hydrogen gas collected from the reaction made a nice pop when torched with a lighted splint. Oh yes, one mustn't forget the safety rules. "Wear your goggles at all *times;* don't worry: wearing the apron really does look cute."

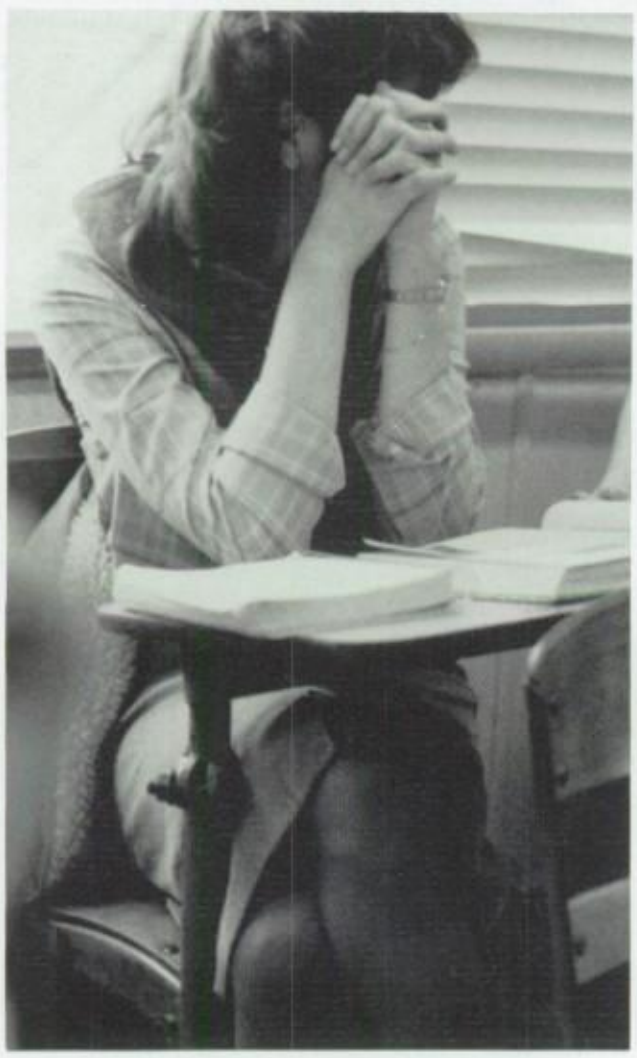
Safety may have been a much-stressed point, but true safety precautions were definately lacking. We have no eyebaths (to rinse eyes if acids or other materials that get into eyes), no shower (to quench fire or dilute chemicals on clothing), nor any terribly safe way of lighting the Bunsen burners. We still light them with match book matches — a wrong in the eyes of literature — writing safety people. We have a fire blanket, though. Maybe that offers some hope of protection.

In their continuing quest to remove dangerous chemicals from storage rooms in the school system, Wake County employees again came to WF-R. Some pure sodium was removed since it explodes when exposed to air; it is stored under kerosene in a glass jar. Care must be a priority when handling the jar, because if it falls and breaks serious injury can result to anyone near. A wader-clad fellow from the state carried it out with one hand grasping the top of the jar, and with the other scratching his head or just dangling by his side. This cautious fellow, this fellow carrying a potentially dangerous element, seems to typify the neglegence of some of the trusted, county and state personnel. But that's O.K. — it's only another uneventful day in the race to improve our minds.



Language Arts: A Vital Part of Academic Studies

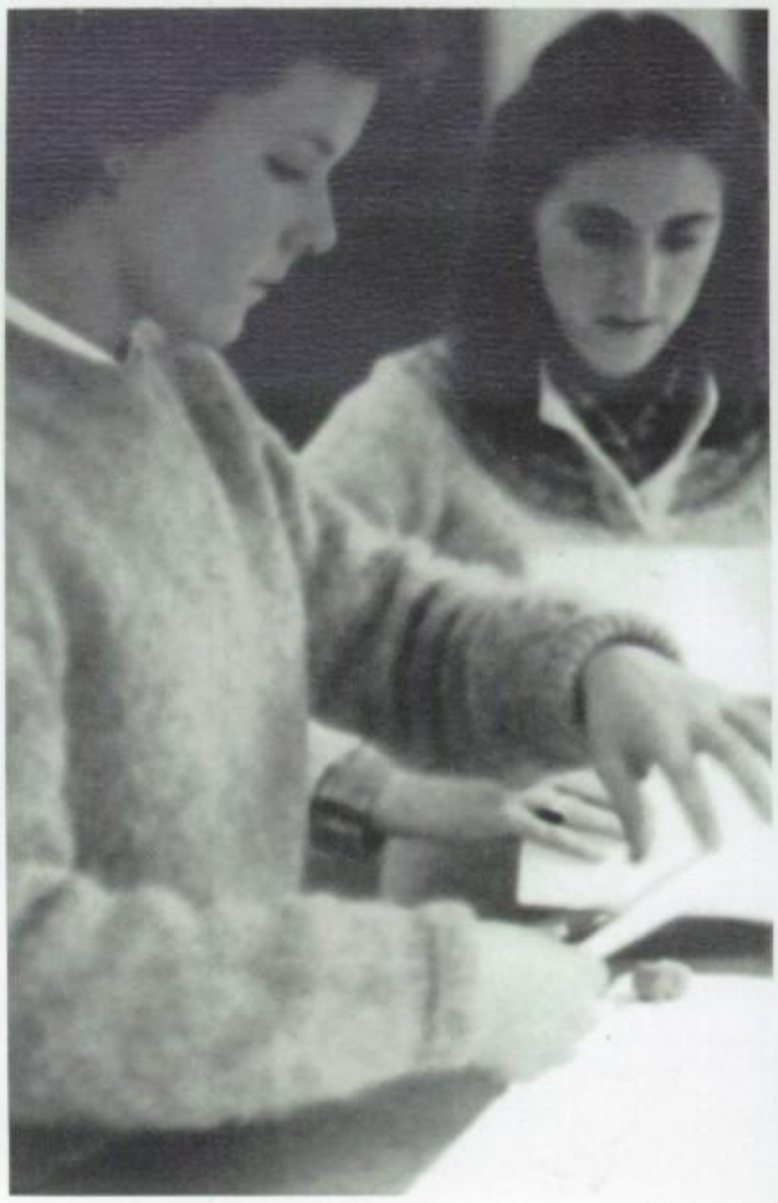




English is probably the most important course a student will take during his high school and college years. Unlike some other required subjects, English is used each time one speaks or writes to another person. The study of English and language arts is necessary for one to communicate effectively.

As always there were different kinds of English courses taught this year, ranging from basic freshman English to advanced senior English. The language arts teachers devoted special attention to the basic studies of grammar and vocabulary this year for students who have shown a need for more concentration in this area. It has become evident that unless students are willing to make the necessary efforts to learn the important aspects of English and language arts, they often lack the important communication skills needed in life.

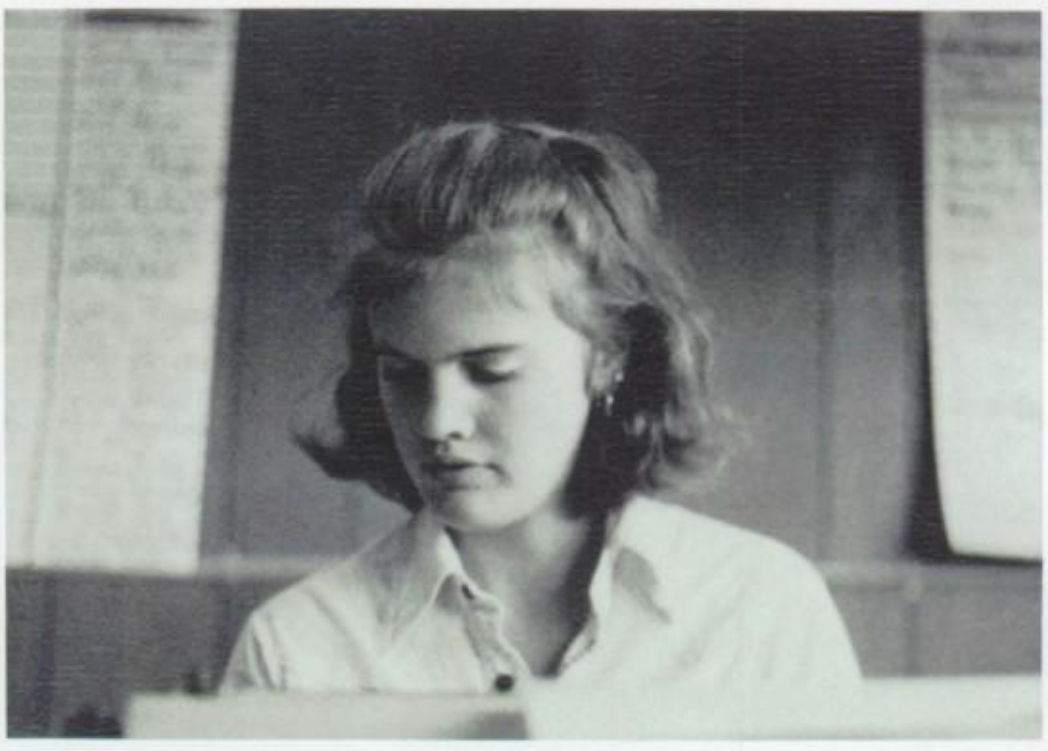
Despite Difficulties Cougar Chronicle Was Quite A Success



The Cougar Chronicle staff strived to publish a paper each month. "These were written by the students for the students." The main concern of the staff was to inform the students of current events that took place locally and nationally. Also, to include personal questions and ideas the students may have had.

There were seven new members plus 6 old ones on the staff this year and a new advisor Miss Pat O'Neal.

The editor was Teresa Cox; managing editor — John Philbeck; business editor — Joye Joyner; feature editor — Lory Gergen; sports editor — Lin Harp; Artists — Randy Perry and Mark Pergerson.



Forester Finally Finished

Faced with a few minor problems, the yearbook staff successfully composed and completed the 1982 *Forester*. Luckily there were staff members who had worked on the book in previous years to help the new advisor, Miss Pat O'Neal.

The theme of the *Forester* is taken from Shakespeare's "As You Like It." It is our purpose to show that the real world is very much like a stage and that all people, like actors are constantly giving performances.

The 1982 *Forester* editor is Joy Hyatt; co-editor Amy Byard; assistant editor — Robbie Richards; typist — LeAnn Ray; business manager — Kelly Chambers; Sports editor — Dwight Lowery; photographer — Todd Allen. The *Forester* staff also includes Mary Lee, Melinda Adams, Reneé Eddins, Judy Williams, John William, Kristi Bell, Michelle Harrison and Trent Gregory. Special thanks go to Mrs. Pam Richardson, Sophia Wilkerson, Sarah Tart, and Bob Allen.

Social Studies: Better Than They Thought

From the standard goals of the Social Studies department a few things stood out: the hope for critical openmindedness, the attempt to let students teach one another, and the task of getting students to try new things. Said one of the social studies teachers: "I cannot accept a student who will not try . . . oftentimes if they try, they find out they can always do better than they thought they could."

Teachers of the social studies courses were Don Soule, Grady Stephens, Cathryn Sansbury, Lynn Woodlief, Nancy McGinnis, Robert Hickman, Luana Moseley, and Brenda Crawford.

PEPI Helps Elementary P.E. Classes

If you happen to be up by the bus parking lot at the beginning of 6th period anyday except Monday, you may see a group of 17 students heading up to a bus. They are PEPI students going over to the Wake Forest Elementary. PEPI stands for Physical Education Pupil Instructor and it does many things for all students. For the high school students, it enables them to exhibit positive leadership traits such as cooperation and organizational skills, and it also assists them in making career choices. The elementary students have been known to develop self images and good motor control through the PEPI program. With the PEPI students helping 15 classes the program improves the physical education program at the elementary school. The teacher of the class is Mrs. Donna Clark.

ART

The art students at WF-R had a busy year making quilts, paintings, and sketching. Ms. Hinson, the teacher, teaches her students theories about their art work.

The Band Goes Marching On

The 1981-82 marching band was directed by Mr. Robert Winston. The band was proud that they accomplished a division one, which ranges between 0%-100% at Elon College on October 17. The majorettes won an outstanding second place overall rating along with the performance of our drum major Scott Moody, who was also ranked second place.

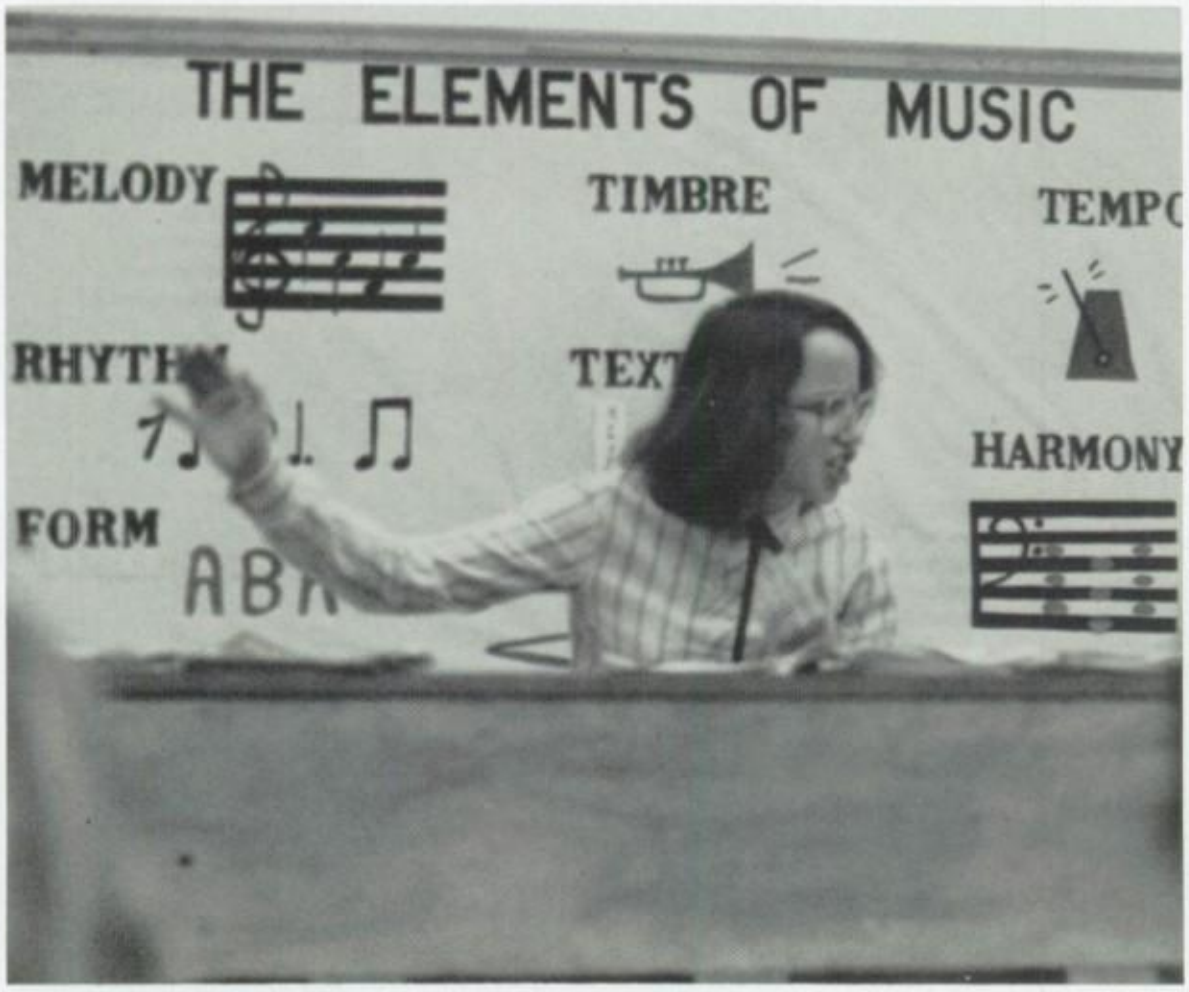
During the year, the band received two significant invitations. The first was to the 1982 World's Fair held in Knoxville, Tennessee. The second one was to the Mardi Gras festival in New Orleans.

The student leaders in the band during the 1981-82 season were Scott Moody, drum major; Evelma White, rifle captain; Natalie Horton, flag captain; Christie Bradsher, majorette captain; and Cindy May, Feature Twirler.

Home Ec. with Cathy Woodlief

The major role of the home economics classes is to prepare young people for some of the responsibilities they may face in the future. They learn sewing, cooking and the fine art of organization. Home Ec. is a worthwhile course for any young person to take because it concentrates on how to handle problems and every day events that may occur in the home.

WF-R Chorus Joins Symphony



A highlight of the chorus' activities this year was an opportunity to perform with the North Carolina State Symphony at the Civic Center in Raleigh.

The chorus, in gowns and tuxedos, also held concerts at Wake Forest-Rolesville Middle School and Peace College.

Fund raising became a major event for the group. Proceeds went toward the purchase of their new attire.

ICT: Help in Employment

The ICT program at WF-R has been increasingly successful with students each year. In ICT, Mr. Fitzhugh Thompson works hard to help students with their employment needs and gives guidance in the responsibilities of workers, character development, and human relations.

Mr. Thompson prepares a training plan and selects the appropriate material to help each student understand his duties. ICT is a program which can help the student individually with health, hygiene, consumer economics, government services, and other related information.

Present members of ICT are Kim Barlow, Jeff Corbett, Lisa Horton, Matt Horton, Lisa Killian, Shelia Mason, Cynthia Oakley, Tina Sherron, Phillip Teachey, Teresa Williams, Chris Barham, Scott Barlow, Kevin Bowen, Bryan Brown, Robert Choat, Joel Hawkins, Julia Jackson, Arnie Jenks, Shirly Jones, Eddie Keith, Kim Maltba, Eddy Markham, Alan Perry, Steve Poston, Kenny Sanders, Donna Vaughn, Steve Wilkins, Angela McConnell, Teresa Mason, and Harold Schneller.

Vocational Courses Help

In recent years, much attention has been directed to the function of the vocational services at WF-R. As a result the guidance services here have worked together to form a better vocational program. Clyde Taylor, head vocational counselor has been at our school approximately seven years and has provided a variety of services. He has helped the students by counseling them, helping them to set up goals and getting them jobs once they leave school. Our vocational program is very adequate and is also a great help to many people. Courses offered under Vocational title are welding, auto body, horticulture, agriculture, and carpentry.
